TOWER OF LONDON

Postcard No. 7575

"OILETTE"

Raphael Tuck & Sons'

ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN.

The Tower of London is an imposing pile of buildings built on the site of a famous Saxon stronghold by William the Conqueror in 1078, who in that year erected the Central Keep or White Tower. Various kings have considerably added to its proportions, until now it covers thirteen acres of ground and has innumerable historical associations.
